

Kamaraj Matriculation Higher Secondary School , Kovilpatti

“Knowledge is power” True education moulds the students to be worthy Citizens of India. To achieve this noble goal, Our school was established in the name of Kamaraj Nursery School on 21st June 1982 by the golden torch of Amarar Thiru C. Chidambara Nadar, and then President of Nadar Uravinmurai Sangam, Kovilpatti at Chekkadi Street. It has been rightly named after the shining symbol of selfless sacrifice, Thiru K. Kamaraj the greatest Leader and the Champion of the poor and the down trodden. Our aim is to help the Children stand on their legs and hence “Self Reliance” has been chosen as our motto.

Due to want of accommodation , it was shifted to Government Office street in the rented building. The first recognition for opening a new Matriculation School in the name of Kamaraj Matriculation School was granted in 1986. The School was upgraded into a Hr. Sec School in the year 1991-92. Our School has been steadily growing since its inception in 1982. It was started with 250 students and 12 teachers. Today we have 2065 students with 110 teaching faculties and 38 Non - teaching staff.
